and Necessity to Provide Interexchange) HEARING
Telecommunications Services within the State)
of South Carolina.)

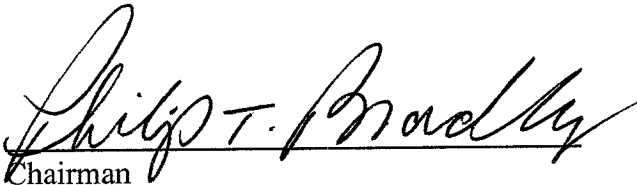

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of AmeriVision Communications, Inc. (AmeriVision or the Company) to add d/b/a LifeLine Communications to the Company name. We are concerned about the confusion that this d/b/a might cause as related to the "Lifeline" program for local exchange carriers such as BellSouth Telecommunications, Inc., which aids in the payment of charges for local telephone service for certain individuals and families. Accordingly, we hold that a hearing shall be held, so that we can delve into this question in greater depth. We shall set prefilng dates for testimony and exhibits at a later date in a further Order.
